

## Community Benefit Report FY2021

Faced with overwhelming challenges, our staff cared for patients with unmatched compassion - and the region supported us in ways we couldn't have imagined. Meeting our community's needs going forward will be easier with our new Dr. Kenton L. Shaffer Emergency Care Center, which opened in September 2021. We stand ready to provide the care our community needs with a shared sense of hope and improved health for all.

Mike Schnieders, President
