

CHI Health Schuyler

Community Benefit Report FY2023

I am proud of a couple of major projects that our team accomplished this year. First, the Radiology team worked tirelessly and achieved grant funding and Foundation funding for the purchase of a 3D Mammography system, the first for Colfax County patients. Secondly, I am extremely proud of the work done by staff in distributing more than \$37,000 in Women, Infants & Children (WIC) nutrition vouchers through the Share our Strength-No Kid Hungry grant.
