St Elizabeth
June 13th- Franciscan
October 8th- Rose

Lakeside
March 8th-Siemens
August 8th-Conference C

Locations:

CHI Health St. Elizabeth 555 S 70th St Lincoln, NE
CHI Health Lakeside 16901 Lakeside Hills Ct Omaha, NE

Cost:

Free to new CHI Health employees with manager permission
\$110 for other CHI Health employees
\$190 per person for those outside the system

Course is limited to 12 participants. Registration is on a first come first serve basis. Registration deadline will be two weeks prior to the class. No refunds or registrations will be allowed after that time.

Fees include conference materials. There is pre-work required. This needs to be completed before the class. The required materials will be distributed to you in time to complete the pre-work.

Course Prerequisites: This is not an introductory level fetal monitoring course. The Intermediate Fetal Monitoring Course builds on the knowledge and skills of experienced nurse and physicians. It was designed for registered nurses with a minimum of six months intrapartum clinical experience using fetal heart assessment and monitoring technology.

Registration: Register in CE Tracker via the following link:

<https://cmetracker.net/CREIGHTONCHI/>

Click on "Live Activities" to view catalog, find class and register.

Questions: Rachelle Heser at Rachelle.heser@alegent.org

Continuing Education: Course is recognized for 11.25 CE's & CME's. The Association of Women's Health, Obstetric and Neonatal Nurses (AWHONN) is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation. AWHONN is approved by the California Board of Registered Nursing, Provider # CEP580. Accredited status does not imply endorsement by AWHONN or ANCC of any commercial products displayed/discussed in conjunction with an activity. AWHONN is the provider of this course and Affinity CE is the joint provider.
