

# CHI Health Midlands

## Community Benefit Report FY2023

I am very proud to announce Midlands achieved an “A” grade Leapfrog Safety Score for 2023. This score reflects the enormous efforts behind the safety and quality of care we provide each day. It’s an incredible accomplishment for this hard-working team of care providers who continue to serve our community. Midlands will continue to expand its ambulatory footprint within Sarpy and Cass counties, offering short length of stay inpatient care, ambulatory surgery, diagnostic and rehabilitation services.

Kevin Miller, President

**\$3,743,101** Total Community Benefit  
Division Total Community Benefit **\$231.1M**

**1,916** Patients supported with Medical Financial Assistance

## Community Health Needs Assessment Priorities

**Behavioral Health**

**Health-Related Social Needs**  
*Hunger, Housing & Workforce Development*

**Violence Prevention**

## Community Benefit Snapshot\*\*

### Health Related Social Needs

Supported Siembra Salud Internship program providing 14 interns with 5 health career exposures and 25 training/certifications. In addition, 149 students participated in the PLV Biomedical Academy.

### Violence Prevention

Provided 547 victims of sexual assault and intimate partner violence with care delivered by specially trained Forensic Nurse Examiners and connected them with community advocates. Sixteen survivors of human trafficking were positively identified and treated.

### Behavioral Health

Tobacco Education and Advocacy of the Midlands (TEAM) supported 71 multifamily housing properties in becoming designated 100% smoke, vape and tobacco-free.
