

CHI Health

Missouri Valley

Community Benefit Report FY2018

\$858,877 Total Community Benefit

2,273 Patients supported with Medical Financial Assistance

Community Benefit Snapshot

Behavioral Health:
Over 75% of all patients 12 and older were screened for depression in our CHI Health Clinics.

Behavioral Health:

Continued support of local community coalition, which provided programming for over 450 middle and high schools students around coping with teen years and suicide prevention.

Healthy Children & Families:

Sponsored the Race to Resilience which educated 74 individuals on adverse childhood experiences and promoted strong family relationships through physical activity.

Nutrition, Physical Activity, & Weight Status:

Provided free transportation to the farmer's market and vouchers to purchase for fruits and vegetables to over 140 individuals/families to community members and families in Harrison County.
