

# CHI Lisbon Health

## Community Benefit Report FY2022

This past year has been challenging for so many of us. Managing the aftermath of the pandemic with staffing shortages and supply chain interruptions were among the most difficult hurdles. Looking ahead, we are slowly recovering. With the great support of our staff and community, we are still here, providing safe, quality care to our patients and our community.

Julie Mallett, President

**\$194,810** Total Community Benefit  
Division Total Community Benefit **\$265.3M**

**111** Patients supported with Medical Financial Assistance

## Community Health Needs Assessment Priorities

Mental Health

Substance Abuse

Violence Prevention

## Community Benefit Snapshot\*\*

### Mental Health

Implemented the **Make It OK** mental health stigma reduction campaign in local schools.

### Violence Prevention

Provided training and education to hospital staff and community members on **recognizing signs** of interpersonal violence and **responding appropriately**.

### Mental Health

Distributed **activity kits** for young people in difficult situations in the emergency department and hospital.
