

# CHI St. Gabriel's Health

## Community Benefit Report FY2022

The teamwork, support, commitment and dedication of our entire team showed for our patients, our community and each other in very challenging COVID times. Our vision is to continue doing things we already do very well. Some provider and staff recruitment will be necessary to continue providing quality patient care. The best thing we can do is to continue to serve the needs of our community, including those identified in the most recent Community Health Needs Assessment.

Steven Smith, President

**\$5,271,316** Total Community Benefit  
Division Total Community Benefit **\$265.3M**

**1,362** Patients supported with Medical Financial Assistance

## Community Health Needs Assessment Priorities

**Mental Health**

**Obesity**

**Substance Abuse**

## Community Benefit Snapshot\*\*

### Substance Abuse

The hospital continued to serve as community convener and fiscal sponsor for Minnesota Prevention Alliance, a coalition of professionals and volunteers devoted to reducing youth substance use across the state.

### Obesity

Provided **3,240** healthy school breakfasts to the Little Falls School District during FY22.

### Mental Health

Expanded access to mental health services by recruiting **two mental health Advanced Practice Providers** to the Family Medical Center Clinic.
