## Community Benefit Report FY2022

The Midlands team continues to be a driving force in the health care of the Sarpy/Cass community. Recognized as a 5-Star hospital by CMS for 2022 highlights the outstanding quality of care provided in the region. One of the most significant accomplishments this year is the joint opening of the first-of-its-kind VA Community Living Center in Omaha. This partnership now provides local care for our veterans. We will continue to focus our efforts in FY2023.
