Gifts from the Heart

Perhaps it was a kind word or a smile that brought you or your family member comfort. As a patient of Nebraska Heart, we invite you to share in our mission by honoring a caregiver. If during your visit, you encountered someone who made your experience special, please let him or her know.

A Gift of Thanks

Honoring a Star of Caring is a meaningful way to recognize and celebrate the excellent care you or your loved one received from a physician, nurse, volunteer, or other associate during your stay. Give a gift to recognize your caregivers commitment, and he or she will receive an acknowledgement card and custom heart pin to wear proudly each day while continuing the work that touches so many.

If you have any questions please call 402-219-7074.
