

Spring Into Heart Health

Learn if you are at risk for heart disease, stroke or other heart-related issues.

Saturday, April 14, 2018

7 a.m. - 12 p.m.

Nebraska Heart Institute - Kearney
CHI Health Medical Building
3219 Central Avenue - Suite 201 • Kearney, NE

Join Nebraska Heart Institute - Kearney for an offering of several screenings and a low-cost lab panel.

Atrial Fibrillation Screening: Rhythm Strip and Wellness Lab Panel - \$30

- Complete Blood Count
- Fasting Blood Glucose
- Lipid Profile – Total Cholesterol (HDL, LDL Triglycerides)

Vascular Disease Testing:

- Abdominal Aortic Aneurysm Screening
- Carotid Artery Disease Screening
- Peripheral Arterial Disease Screening

All three screenings for \$99 or \$39 each

Pre-registration and payment is encouraged.
Walk-ins accepted if space is available and must pay by cash or check.

Each participant will receive an overall Cardiovascular Risk Assessment. Additional cardiac-related health and nutrition information will be available.

To register, visit CHIhealth.com/heartfair or call (308) 365-1999.
