Behavioral Health

Cardiovascular Health

## Community Benefit Highlights\*\*

### Behavioral Health

The ongoing convening of the Healthy Choices for Pierce County behavioral health coalition facilitated the exploration of emerging behavioral health needs and enabled collaborative efforts to raise awareness and educate the community about substance abuse and mental health first aid.

### Cardiovascular Health

A lab fair was hosted in April 2024, offering comprehensive health screenings including metabolic panels, blood counts, lipid panels, thyroid checks, HbA1C, PSA tests, blood pressure checks, and skin checks, directly impacting the health awareness and preventative care of the 141 attendees who received these services. Sponsored healthy meal planning seminar in the community.

### Cardiovascular Health

A \$4,500 grant to the Plainview Social Center supported healthy aging, including aging at home for local seniors. They provided nutrition education, exercise classes, and social activities, promoting healthier lifestyles and reducing social isolation.
