

CHI Health Lakeside

Community Benefit Report FY2022

Our team continues to face many challenges as we pivot out of the post-COVID pandemic. I am very proud of our team and dedication to our patients and the community we serve. This year our campus has been recognized as one of the top 100 hospitals by Merative and received the 5-Star Rating by CMS for 2022. We will continue to focus on key services of Women's Health, Cardiac Care and Orthopedic and Sports Medicine in FY23.
