Tuition rates are the same for Nebraska residents and non-residents. Tuition is due at the beginning of each semester. The refund policy is effective at the start of each semester.

Upon acceptance to the program, the student must remit \$100.00 tuition deposit within two weeks to reserve their placement in the class. This deposit applies directly to the first semester's tuition.

If financial aid from another institution was received, a financial aid transcript must be submitted. If no aid was received, a financial aid statement must be submitted identifying that no aid was received. For first time financial aid recipients, new federal guidelines require enrollment and attendance in a program for 30 days prior to release of funds.

The School will provide to you a list of all required books for the two years. The student can expect to pay approximately \$1,000 for textbooks.
